

Role Outline – Bucket collection volunteer

We are looking for self-motivated and compassionate individuals to help moderate the Health Unlocked forum and make a difference to the lives of the 1.5 million in the UK who suffer from endometriosis.

Throughout the year we hold bucket collections to help raise awareness and fundraise for Endometriosis UK. We are looking for someone to help fundraise for our holiday collection period, and receive a free Endometriosis UK beanie for their work.

No qualifications needed for this role.

What will you do?

- Stand in station asking for donations.
- Encourage donations by sharing endometriosis facts and how funds will support those with endometriosis. Happy to be loud so people can hear.
- Wearing a branded Endometriosis UK tabard and beanie hat while carrying branded collection bucket.
- Act in line within our collection guidance and Endometriosis UK volunteer policies.

Skills and experience needed

- Being comfortable in loud and crowded areas
- Happy to be on your feet for a period of time
- Committed to Endometriosis UK's mission
- Must be aged 16 or over, and have photo ID

“What I really love about my role is when I see those taking control and really voicing their experience”

– Endometriosis UK Volunteer

Time and Location

Bucket collection will be taking place on the 28th of November at London Bridge Station.

Rota availability

We need volunteers to cover the following shifts:

7.00am – 10.00am

12.00pm – 2.00pm

5.00pm – 7.00pm

1 hour and 2 hour volunteer slots available within these times.

Training, Support and Expenses

To ensure you are prepared, you will receive all event information in advance and a briefing before your shift.

London travel zones 1 – 6 will be covered by Endometriosis UK

You will receive a free Endometriosis UK beanie hat

How to apply

If you are interested in this role, please complete our webform submission.

If you have any questions please email volunteer@endometriosis-uk.org

Successful candidates are invited to attend an online interview and are required to attend a 1-day induction training session before starting in post.

We encourage interest and applications from those who identify as LGBTQIA+, as a person of colour, experiencing childlessness by choice and not by choice. We want to increase representation of these communities amongst our volunteer and service users.
